How to view your Payment History for ATI Brokers

Use the Payment History page to see your point top ups or print a receipt.

Click on **Payment History** under the Points heading from the Menu.

Now you can see all your payments. Enter any or all search criteria that you need to:

- Select '**Date From**' and "**Date To**" from the calendar
- Enter "**Transaction ID**" if you know it. You can find this on the receipt.
- Select "**Payment Status**" from the drop down
 - PENDING – Payment is pending and not been completed
 - SUCCESSFUL – Payment is confirmed
 - FAILED – An error has occurred and payment is not complete

The table below explains the information in the Payment Transactions screen:

Column name	Definition
Created Date	Date and time that the payment was created
Confirmed Date	Date and time that the payment was confirmed
Transaction ID	A unique number to identify this transaction
Points Purchased	The number of points you purchased in that transaction
Purchased Amount	The cost for the number of points you purchased
Transaction Fee	The cost of the transaction fee
TAX (VAT 12%)	The cost of the VAT
Total Amount	The total amount for the points purchased, plus the transaction fee and VAT
Action	Click to perform the activity shown
Status	The status of the payment transaction
Message	The message from Dragonpay to let you know additional information relating to the payment transaction. You may be helpful if there are any questions about your top up.
